Metro Parks conducts social and athletics programs tailored for the needs and interests of seniors.

Seniors programs are held around the Metro area, but two centers are dedicated to these patrons.

All Seniors programs are limited in size, so please call or visit a center one week prior to an event to register. Programs are subject to change or cancellation if minimum sizes are not registered.

Metro Parks Senior Services staff also conducts the annual Fifty and Over Games, and provides programs for senior citizens at the Kentucky State Fair's Heritage Hall.

For more information, call or email us.
